Mrs. Minnie Parlow

Berlin
21, Hegelstrasse, Posen
Kocher

St. Petersburg, 5 December, 1807. — Returned in good health
and satisfied of the material success. — Many
thanks for your letter and the Leipzig criticisms. —
The Lillings are here. I heard the girl to day; she
is much better as I thought; good behavior, not
yet finished, of course. — The Savick girl from
Berlin, is coming next days. — Mrs. Thymme in
a few weeks. — In April I shall be here; the two other
Cadences for the Beethoven Concerts are not printed.
I prepare it for you coming. — Lisicki had to play
here next week and refused. I do not know the cause.
I hope Thalberg will enjoy his holidays during Christmas.
Best love to her and you. — L. Schlegel
